Rental Policy Info: This affordable housing program is for individuals and families who are 55 years or older with moderate incomes allowing below market rents for those who qualify. The program is not a subsidized housing program as each resident is responsible for their full amount of rent each month. Rental amounts are based on the pre-set income limits in the geographic area and not based on your individual household income. To be income eligible, your total household 'gross' income must be less than the pre-set income limit for the area.

Rental Special Notes: Affordable units designated for households making between 35% and 60% AMI.

Description of how applicant can request a Reasonable Accommodation: Applicants who require a reasonable accommodation during the application process may submit their request to the Property Manager. Requests can be made verbally or in writing via phone, email, or in person. When making a request, applicants should describe the nature of the accommodation needed to ensure equal access to the application process.
